## ***Bulls Still Available Private Treaty***

---

Although you might not have had the opportunity to make it to our bull sale, don't be concerned that you have missed out on the opportunity to purchase Ratcliff Ranch bulls for this breeding season or next. The Ranch has a select group of private treaty bulls that are currently available to the public. These bulls are from popular and desirable blood lines and both Angus and SimAngus breeding age bulls are available.

All bulls are sold with a one (1) breeding season guarantee. For more information on the bulls that are available or to schedule a visit to pick out a bull, please contact Ratcliff Ranch Manager Heath Kohler at 918-244-8025. E-mail inquiries are also welcome at [heath@ratcliff ranch.com](mailto:heath@ratcliff ranch.com).

## ***Females to Sell in Ft. Worth in Conjunction with the FWSS***

In addition, Ratcliff Ranch will be participating in the Ft. Worth Stock Show & Rodeo Commercial Heifer Show and Sale the first weekend in February. The Ranch will be entering at least one pen of pairs and one set close to becoming pairs from high-demand genetics like Steel Force. These females are A.I. safe to Dakota Gold. Ratcliff Ranches has been one of the premier exhibitors and high sellers in this program for a number of years. Unfortunately, due to the extreme blizzard that occurred in February 2011, the Ranch was unable to compete and sell.

The Ranch is looking forward to taking a great offering of females to the 2012 event. For more information, please contact the office at 918-256-5561 or Heath Kohler at 918-244-8025.
